

**The Morning After Report**  
**5/11/2010**

The Houston R-I Board of Education met in regular session Monday evening.

**Old Business**

The board approved a proposal to add two positions at the Exceptional Child COOP because of increases in the number of students being served. Funding for the positions will come from member districts.

**New Business**

The board approved sending out bid requests for fuel, propane, paper, milk, bread, and pest control for the coming school year.

A preliminary budget report was presented to the board for the 2010-2011 school year. Revenue projections for next year are running significantly lower than they were for the current year. A special board meeting was set for Monday, May 24<sup>th</sup> to approve a budget for next year.

The board heard a presentation from Michele Moseley, elementary nurse, on the benefits and liabilities of placing automated external defibrillators on campus.

**Closed Session**

The board named Brent Kell as the new Athletic/Activities Director for the district.

The board named David Williams as the new Head Football Coach.
